The screenshot shows the Zoom website homepage. The browser's address bar contains the URL <https://www.zoom.us/meetings>, which is highlighted with a red box and labeled '1.'. The Zoom logo is visible in the top left. In the top right, there are links for '대모 요청' (Request Demo), '1.888.799.9666', '리소스' (Resources), and '지원' (Support). Below the logo, there are links for '솔루션' (Solutions), '플랜 및 가격 책정' (Plans & Pricing), and '연락처 판매' (Contact Sales). A navigation bar contains the text '2. 모임에 참여' (Join Meeting), which is highlighted with a red box, followed by '회의 주최' (Host Meeting), '서명하세요' (Sign Up), and a blue button that says '가입, 그것은 무료입니다' (Join, it's free). A green banner across the middle of the page reads '이 어려운 시기를 헤쳐나갈 수 있도록 리소스를 개발했습니다. 가이드비입니다.' (We've developed resources to help you get through this difficult time. It's a guide fee.). The main content area has a blue background with the text '우리는 리더입니다 - 5 년 연속!' (We are leaders - 5 years in a row!) and '2020 회의 솔루션에 대한 가트너 매직 퀴드런트.' (2020 Meeting Solutions Gartner Magic Quadrant.). Below this is an orange button that says '보고서 읽기' (Read Report). On the right side, there is a figure titled 'Figure 1. Magic Quadrant for Meeting Solutions' showing a plot of various meeting solutions. The x-axis is labeled 'COMPLETION OF VIDEO' and the y-axis is labeled 'ABILITY TO RESOLVE'. The plot shows several data points representing different meeting solutions, with Zoom positioned in the top right quadrant, indicating high completion of video and high ability to resolve. The source is cited as 'Source: Gartner (October 2020)'.
